AC 010

NATIONAL CERTIFICATE OF THE CONSTANCY OF PERFORMANCE AC010 – UWB – 0009

In compliance with Regulation issued by Minister of Infrastructure and Construction of 17th November 2016 r. on the method of declaring the performance of construction products and method of marking them with the construction mark (Polish Journal of Laws of 2016 item 1966) this certificate applies to the construction product:

Copper and copper alloys press connectors type X-press Gas
for gas installations in buildings
DN12, DN15, DN20, DN25, DN32, DN40, DN50 MOP5, GT/1, T2 (-20°C ÷ +60°C)
Copper CW024A, bronze CC499K, sealing HNBR

covered by national technical assessment

AT/2016-03-19 1st edition/2016+Annex No.1

placed on the market under the name or trade mark of:

PEGLER YORKSHIRE GROUP LTD
St. Catherines Avenue, Balby
Doncaster, South Yorkshire, DN4 8DF England

and produced in the manufacturing plant(s):

indicated on pages 2÷5

This certificate attests that all provisions resulting from national system 1 concerning the AVCP in relation to the performance of product described in above national technical assessment are applied and that:

**the manufacturer has implemented the system of factory production control
in order to maintain the constancy of the performance**

This certificate replaces the certificate No. 14/16 and will remain valid until 10.10.2021 as long as neither the national technical assessment, the AVCP methods, construction product itself nor the manufacturing conditions are modified significantly, unless suspended or withdrawn by the accredited certification body.

Certification Office Manager
