Fittings for capillary soldering to and/or screw connections with copper tubes

Fitness for contact with drinking water

This product is approved on the basis of the requirements for hygienic aspects set in the "Regeling materialen en chemicaliën drink- en warm tapwatervoorziening" ("Materials and chemicals in the supply of drinking water and warm tap water Regulation" dated 01-07-2017; published in the Government Gazette).

These hygienic aspects are based on two main criteria. The product shall permanently comply with:

- The product recipe approved during the assessment procedure. This recipe is not to be changed without prior approval by Kiwa according to the Kiwa approval procedure for the hygienic aspects;
- Specific product requirements for the hygienic aspects.

The recipe and specific product requirements are laid down in the for confidentiality reasons undisclosed 'appendix hygienic aspects' to this certificate.

MARKING

The Kiwa®-mark products are marked with the word mark "KIWA abbreviated word mark " $\stackrel{\textstyle >}{\sim}$ ".

The fittings shall be provided with at least the following marks on the fitting:

- · markings as mentioned above;
- manufacturer's name, trade name or logo, on the fitting and compression nut(s);
- nominal size, on the compression nuts;
- reference to number and part of the European standard (1254 part 1 or 1254 part 4).

Method of marking:

- · non-erasable:
- · visible after assembly

APPLICATION AND USE

The fittings are applied for capillary soldering to and/or screw connections with copper tubes in drinking water and heating installations.

The fittings are intended for application with copper tubes according to Kiwa evaluation guideline BRL-K760.

For application in drinking water installations, a static water pressure of maximum 1000 kPa and a maximum water temperature of 90 °C is applied.

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- · the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

Pegler Yorkshire Group Ltd.

and, if necessary,

Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
